

Call for applications:

16th EEX Group Excellence Award 2026

The **EEX Group Excellence Award** honours outstanding research papers that deal with current political, regulatory, technical or economic questions in the fields of energy, agricultural and commodity products as well as exchange trading of those or with focus on subjects of sustainability.

The prerequisite for the successful submission is that the paper was completed in the second half of 2025 or will be completed in 2026 and must be written in German or English.

The award includes a financial prize of EUR 1,000.00 and the opportunity to attend the EEX Comprehensive Exchange Trading Course free of charge for each winner.

Inspire, Innovate & Make an Impact

Documents to be submitted:

- Curriculum vitae (at max. 2 pages)
- A summary providing information on the focus of the paper (subject, methodology and findings of the paper (at max. 5 pages))
- The full research paper including all annexes
- Letter of recommendation from the responsible lecturer or academic supervisor substantiating the merit of the submitted paper

**Please send your application by
31st October 2026 to:
eex-group-news@eex.com**
