

# Hallo Leipzig.

**Hello from ECC**, the leading clearing house for energy and commodity products in Europe. As part of the EEX Group, we have our roots in Leipzig and 16 offices worldwide. For our customers, we make trading more secure through physical and financial settlement of transactions concluded on the EEX Group exchanges. What's the secret to our success? We are an expert team of dynamic individuals that drive forward exciting projects while sharing experiences, celebrating success and creating memories, together.

## Senior Compliance Officer (f/m/d)

### Your tasks:

You will provide advice to our business lines regarding market integrity, conflict of interest and Corporate Governance by performing "second line of defense" control tasks and ad-hoc investigations. You keep abreast of material law and regulations for exchange trading as well as clearing and settlement. An important element of your role is your contribution to our compliance manual and our activities to further develop our compliance culture. You are working in close cooperation with other control functions and our colleagues in Outsourcing and Material Change Management, while also managing special Compliance projects and supporting our Data Protection and AML Experts.

In doing so, you receive a great deal in return for your outstanding performance from your team. After all, we value the exchange of ideas, being there for each other and encouraging each other to become better. We call it: the exchange mindset.

**You have made it this far – together with us you can go further: Please send your job applications to Michael Schur at [jobs@ecc.de](mailto:jobs@ecc.de) or have a look online at [ecc.de](http://ecc.de) > Career.**

**You are welcome at any time.**
