

Hallo Leipzig.

Hello from ECC, the leading clearing house for energy and commodity products in Europe. As part of EEX Group, we have our roots in Leipzig and 16 offices worldwide. We provide security for our customers, by ensuring the physical and financial settlement of transactions for EEX Group and further partner exchanges. Why are we so successful? We are a team of individual experts that drive forward exciting projects while sharing experiences, celebrating success and creating memories, together. With you as:

Working Student (f/m/d) Compliance

Your tasks:

You will support the Compliance Department in its role as control function. Together with the team you will implement and update compliance related policies, standards and procedures; help to conduct quality assurance for compliance topics including data protection and anti-financial crime; support the conduct and follow-up of compliance audits; work on lessons learnt for compliance related cases.

After all, we value the exchange of ideas, being there for each other and encouraging each other to become better. We call it: the exchange mindset.

You have made it this far – together with us you can go further: Please send your job applications to Michael Schur at jobs@ecc.de or have a look online at ecc.de > Career. You are welcome at any time.

(For encrypted transmission of your applicant details, please contact jobs@ecc.de)

Welcome to our World.

We offer you:

- › Attractive compensation
- › You will gain a deep understanding of the legal and regulatory framework of the German financial sector and the general role and tasks of a Compliance Department (2nd line of defense)
- › A place in a dynamic and international team within EEX Group and Deutsche Börse Group
- › A long-term perspective in the constantly growing and evolving commodity and energy industry

The exchange mindset.

You bring along:

- › Ongoing studies in the fields of Economics, Law or Computer Science (Bachelor or Master)
- › Excellent language skills in English
- › Analytical thinking
- › Knowledge in handling Microsoft Excel, Word and Powerpoint
