

Hallo Leipzig.

Hello from ECC, the leading clearing house for energy and commodity products in Europe. As part of the EEX Group, we have our roots in Leipzig and 16 offices worldwide. For our customers, we make trading more secure through physical and financial settlement of transactions concluded on the EEX Group exchanges. What's the secret to our success? We are an expert team of dynamic individuals that drive forward exciting projects while sharing experiences, celebrating success and creating memories, together.

Business Analyst (f/m/d)

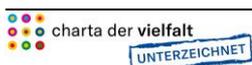

Your tasks:

As a Business Analyst (f/m/d) you will drive the development of clearing, settlement and risk management services for the international commodity markets. You will support regulatory, infrastructural and organizational initiatives by assessing, analyzing, developing and documenting solutions for business ideas and functional requirements. You build and maintain close and effective working relationships with (senior) stakeholders across business segments and functions, coach team members and manage the efforts of third-party contractors and consultants. Your eagerness to learn and share and your willingness to collaborate with a diverse range of colleagues from various backgrounds will help you make a valuable contribution to the resilience of our company.

After all, we value the exchange of ideas, being there for each other and encouraging each other to become better. We call it: the exchange mindset.

You have made it this far – together with us you can go further: Please send your job applications to Nadin Eckhardt at jobs@ecc.de or have a look online at ecc.de > Career. You are welcome at any time.

(For encrypted transmission of your applicant details, please contact jobs@ecc.de)

Welcome to our World.

We offer you:

- › Attractive compensation and many benefits including childcare facilities, meal allowance, job ticket, sport and recreational events
- › Personal development thanks to extensive training and learning offers
- › A place in a dynamic and international team within the EEX Group and the Deutsche Börse Group
- › A long-term perspective in the constantly growing and evolving energy industry

The exchange mindset.

You bring along:

- › Excellent analytical thinking and problem-solving skills
- › Experience and willingness to work at the interface of functional business areas and information technology
- › Excellent inter-personal skills – to interact with stakeholders from operational staff over functional experts to senior management
- › Able to tackle several projects simultaneously and within a dynamic, fast-paced, and growing organization
- › Working experience or basic certifications as a Business Analyst, Requirements Engineer or similar are desirable
- › Experience of working in a bank and/or a commodity trading environment is appreciated.
- › Excellent communication skills both written and verbal in German & English, French or other languages are desirable.
